For District Cup, U8s & U10s do not require player passes, but do require a medical release.

2.4 Required Documentation for Adults

All adults who are coaching the team in any capacity need to be cleared by CYSA. A cleared coach should have a valid pass and be listed on the official golden rod for the team. The referee shall verify the identity of the coaching staff with the pass prior to starting the game. If an adult is missing the required documentation, then the adult shall not be allowed to participate in the game as a coach.

2.7 Team Formation

For District Cup, teams may bring whatever number of players their current roster has registered. If their current roster is less than the number on the field plus three then they may add players from other teams who played in the Fall league. A team may not add players currently registered to a team also attending District Cup. A team may not drop players of the same gender as the age group that they are entering.

2.8 Co-Ed Teams

For District Cup, if a Fall registered team has a co-ed roster and wants to register as a Girls team, they may drop all male players. Likewise, if a Fall registered team has a co-ed roster and wants to register as a Boys team, they may drop all female players. Written permission from a parent/guardian of the male/female players are required to make these changes.

2.9 Reduced Playing Time

If a game starts late, the referee will have the final say on playing reduced time per half. Each half should still be of an equal length.

2.10 No Retakes for Bad Throw-ins

A player does not have a retake for a bad throw-in

2.11 Direct and Indirect Free Kicks

U8- Indirect free kicks only

U10-U19- Direct free kicks, and therefore penalties, are permitted. The referee is encouraged to explain all infractions to the offending player(s).

2.12 Offside Offense

U8- No offside calls. Corner Kicks Awarded

U10-U19- A player is allowed to be in an off-side position anytime during the game. A player commits an offside offense if after being in an offside position the player becomes directly involved in play or causes a defender to be influenced by the player's position on the field. A player does not commit an offside offense from a throw in, a goal kick, or a corner kick. A player also cannot be called offside on their own side of the field. Offside offenses are called by the referee or assistant referees.

2.13 Build Out Line

U8-U10 fields will be marked with a "Build out Line." When the goalkeeper has the ball in his or her hands or for a goal kick, the opposition must retreat behind the build out line. The opposition may not cross the build out line until the ball is put into play, ie: when the ball is released (thrown or kicked). The goalkeeper may also choose to play the ball prior to the opposition retreating behind the build out line.

2.14 Build Out Line Offenses

If a goalkeeper punts or drop kicks the ball, there will be an indirect free kick awarded to the opposition on the spot of the offense. If the offense occurs inside the goal area, then the free kick will be taken on the goal area line nearest to the point where the infringement occurred.

2.15 Build Out Line – Offside Adjustment

The build out line becomes the line at which an offside offense occurs. So, between the halfway line and the build out line, there is no offside offense.

2.16 Build Out Line – Six Second Rule

The counting of the six second rule regarding the goalkeeper holding the ball only starts after all opposing players have moved behind the build out line.

2.17 No Deliberate Heading for Age Groups U12 and Younger

No deliberate heading of the ball is allowed by any player. **NOTE:** It is the referee's decision as to whether the header was deliberate or not.

2.19 Sportsmanship Policy

At the end of the game - Goal Differential should not be greater than Eight (8).

NOTE: Referees are responsible for recording and reporting the final score, it is not the responsibility of the referee to admonish a team, coach, or a player for violating this rule. **For the first offense the coach shall be suspended for one game, for the second offense the coach will be suspended for two games, and so on.**

2.20 Substitutions

The number of substitutes shall be unlimited. A substitute shall not enter the field of play until he/she has been given a signal to do so by the referee and should do so at the halfway line. Substitutions can be performed at any stoppage of play (goal kick, corner, any throw-in, free kick, etc.). The substitutes that are coming on to the field should be present at the halfway line ready to enter once the center referee allows them to enter the field. The referee may refuse entry if the substitutes are not ready or if in the opinion of the referee the coach is using substitutes to slow down the game or waste time.

2.21 Referees

Official referees are used during a game. Referees are encouraged to explain infractions to the offending player. The decision of the referee on points of fact connected with the game shall be final. If there are no Assistant Referees a “club-line” may be used.

2.22 Uniform Colors

At the discretion of the referee, if the two team uniforms are too close in color to differentiate then the home team must make a change so as to be distinct from the opposition. Note, the amount of light can make a change on how contrasting two colors may be.

2.23 No Pets

CYSA does not allow pets at events. The game will be stopped until pets have been removed from the fields. This does not apply to service animals with appropriate identification.

2.24 No Noise Makers

The use of noise makers is prohibited at all CYSA games.

2.25 Spectator Area

Home team gets the north or east side. The visitor gets the south or west side. Spectators are to be on the same side of the field as their coach. No spectators may watch the game from behind the goals. When fields are close together, the host league can decide that the coach / player area will be the space between the two fields and the spectator area would be on the other side of the field to the coach / player area.

2.26 Spectator “Cheering”

Spectators are encouraged to cheer on their team; however, care must be taken to ensure that your cheering is not viewed as jeering by opposing team members and spectators. Spectators are not allowed to make comments to players from the opposing team.

2.27 Spectator “Coaching”

Players spend practices understanding and performing an action plan for the team. By telling players to perform actions that are perhaps different to that of the action plan becomes confusing for the player and can undermine the position of the coach. Leave coaching to the coach.

2.29 Send Offs – Adult

An adult who is sent off must leave facilities. Due to many adults having related players needing a ride home, an adult may be permitted to stay inside their motor vehicle away from the field providing behavior is appropriate. The adult may not provide any comments (positive or negative) to the team using voice or any communication devices.

2.30 Return of Ejected Player/Coach Passes

When a player or coach has been ejected from a game, the referee must complete a send-off report recording pertinent data from the pass. After completing the report, the pass is returned to the head coach and the report is submitted to District referee coordinators within 24 hours. If the team does not have another carded coach, the game ends.

2.31 Coaching Restrictions

Coaching from the sidelines, giving direction to one’s own team on points of strategy and position, is permitted provided:

- 2.31.1 No mechanical devices are used.

- 2.31.2 The tone of voice is informative and not a harangue.

- 2.31.3 No coach, substitute, player, or spectator is to be anywhere but at his/her bench area during the game. A team’s bench area shall be that area one (1) Yard from the touchline and extending to ten (10) yards both sides of the half-line.

- 2.31.4 No person is to make derogatory remarks or gestures to the referees, coaches, players, substitutes, or spectators.

- 2.31.5 No coach, substitute, or player is to use profanity.

- 2.31.6 No coach, substitute, player, or spectator is to incite, in any manner, disruptive behavior of any kind.

- 2.31.7 During and immediately after games coaches are not to make comments to players on the opposing team.

 - (1) Head-to-Head Competition. If the teams played each other, the winner of that game will have the higher ranking
 - (2) Goals Against - The team that had the least goals scored on them during the group stage has the higher ranking.
 - (3) Goals For - The team that scored the most goals during the group stage, has the higher ranking. (Up to 4 Goals Scored)

For tie-breaking to qualify for a consolation or championship game, any player present from the team can participate. Each team shall select 5 players to take penalty kicks, the goalkeeper can be a member of the penalty taking players if desired. Oscillating between the two teams, each player gets one kick at goal. Each of the five players must take their turn. Once all five players have taken their turn, the team with the most goals from the penalty kicks will be declared the winner.

If the teams are still tied, then a second set of 5 players is selected from each team, no players from the first five may shoot again until every player (including the goalkeeper) has had a turn shooting. Once all of the second set of five players has taken their turn, the team with the most goals from the penalty kicks will be declared the winner.

If the teams are still tied, then penalty kicks will be taken using one player from each team at a time until there is a winner. No player can take a second penalty kick until all teammates at the field have taken their first penalty kick. In a similar fashion, no player can take a third penalty kick until all teammates at the field have taken their second penalty kick, and so on until a winner can be declared.

If the goalkeeper blocks a shot there is no follow up kick allowed by any player. Play stops when the ball stops moving.
